Dear Parent/Guardian,

In the past, civic and church organizations have asked if we know of families that may need help with Christmas gifts for their children. With permission from the parents/guardians, we provide family information to those interested in helping.

If you know of a family who have children enrolled in the Spring Hill School District, or if you would like your name given to an organization for assistance, please complete both sides of this form.

Parent/Guardian Name

Address

Daytime Phone

Evening Phone

In the event that we cannot reach you, please list additional contact name/phone # information of a friend or relative.

Please do not submit names of families already receiving help for Christmas from a church or social agency, or families who do not have children enrolled in the Spring Hill School District.

Completing this form does NOT guarantee that a family will receive help. I understand that any and/or all information will be shared with other agencies in the community for purpose of verification. I certify that I have not/will not make application for Christmas assistance from any other helping agency.
